

Pggraph - Feature #4908

Table statistics tablenamee

01/07/2007 07:26 PM - bford -

Status:	In Progress	Start date:	
Priority:	Normal	Due date:	
Assignee:	Aurynn Shaw	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Resolution:			
Description			
We need to consider drawing this during initial load or reworking the menu set so that the user selects their relation which then loads the table name that they can graph off if.			

History

#1 - 08/20/2007 02:35 PM - Aurynn Shaw

- Status changed from New to In Progress

Javascript/ajaxy stuff to handle populating the list on selection?
Doable.
