

postgresql-snap - Feature #5327

New snap packages to be created

12/09/2016 07:11 AM - Joshua Drake

Status:	In Progress	Start date:	12/09/2016
Priority:	Normal	Due date:	
Assignee:	Ivan Lezhnjov	% Done:	40%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
pgbouncer			
pgpool			

History

#1 - 12/12/2016 10:12 AM - Joshua Drake

Ivan,

What is the status of these packages?

#2 - 12/13/2016 08:36 AM - Ivan Lezhnjov

- Status changed from New to In Progress

- % Done changed from 0 to 40

pgbouncer builds and runs at this point, but only with a manually installed configuration file. I'm working on a solution to get it installed in a way that makes it tailored to a user's \$HOME environment.

I'll address pgpool immediately after pgbouncer package is ready.

Ivan
