Description

Hello ,

Hope all is well!

I was trying to reach you today in regards to an email I sent you last quarter. I understand with so many database offers these days it's very difficult to know who has the right contact data. So let's get some relevant samples in-line with your target markets & some of the references from our top clients before you could decide on your database vendor.

Please let me know your specific target demographics below, I will get back to you with relevant counts & a sample for your review.

Industry:

Geography:

Titles:

If there is some else I need to talk to please let me know.

I really look forward to hearing from you.

Regards
